

U.S. Serial No. 09/643,122
Response Dated March 10, 2004
Response to the Office action of November 10, 2003

Changes to the Drawings

The attached sheets of drawings include proposed drawing corrections in red for FIGS. 8 and 9. The changes consist of deleting two instances of reference numeral 215G. It is respectfully submitted that no new matter has been added. Revised formal drawings will be filed when the proposed drawing corrections are approved by the examiner.

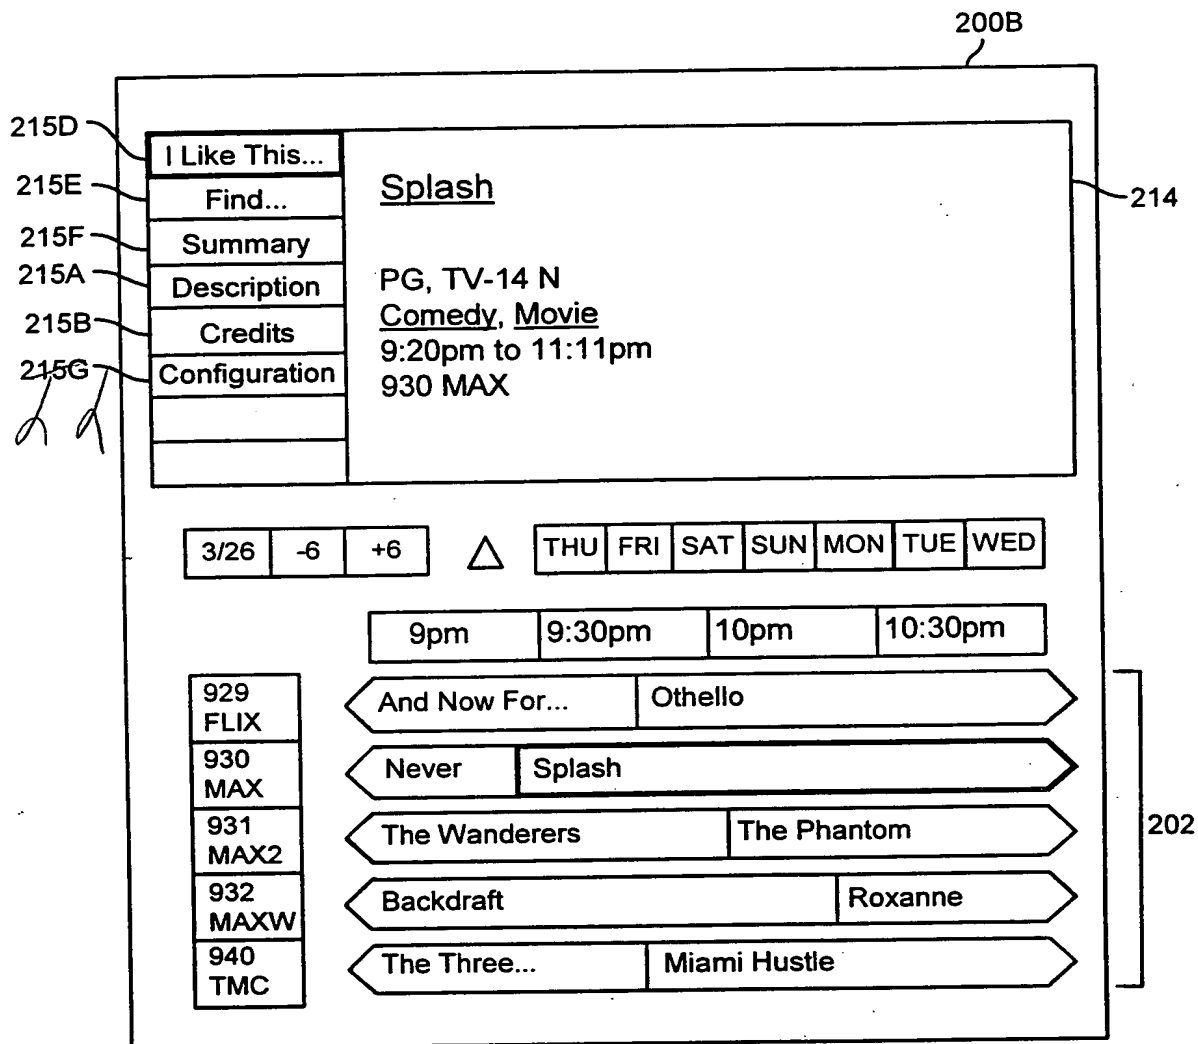

FIG. 8

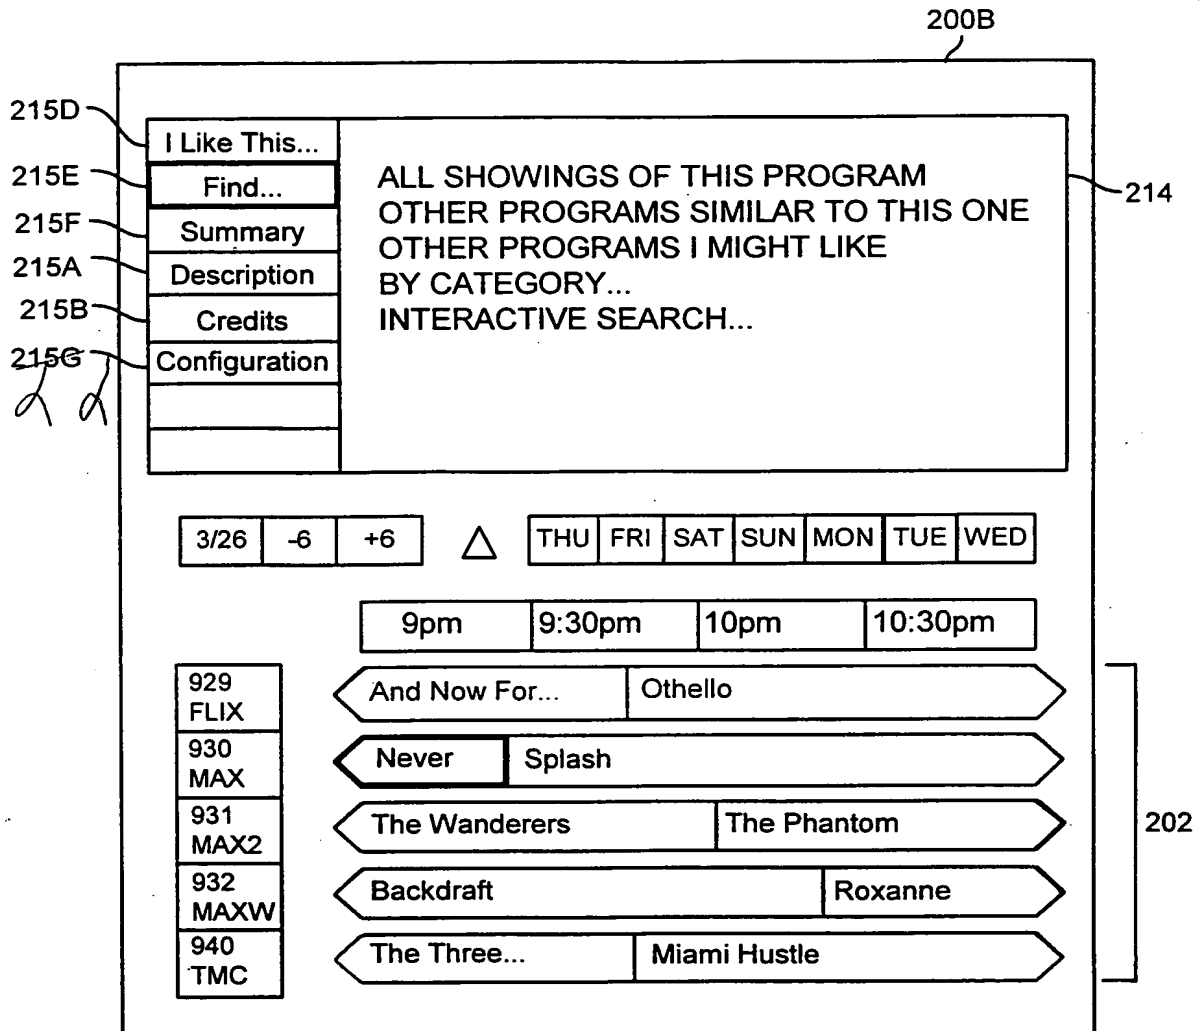

FIG. 9
